## **SPIRITUAL VISITORS' TRAINING PROGRAM**

### **Why Become a Spiritual Care Visitor?**

It has been well documented that healing time is decreased, need for paid medication is decreased, and connection to a greater source has been found when spiritual care is an integrated part of healthcare. You can be part of that healing process. Help others cope with the challenges in their life. Be present in a way that allows others to know that they are truly cared for.

### **Who Should Attend?**

Anyone who:

- Wants to learn new skills
- Feels called to care for others
- Is able to listen with an open heart
- May want to become a hospital spiritual volunteer or who is planning to join their congregation's pastoral team

Learn to visit and care for the sick in a group setting. Come join us for a journey of learning and self-discovery. Plan to stretch yourself. Find a comfort level in the hospital setting. Meet new people in the community. There will be a small amount of homework after each session.

## MINUTE FOR MISSIONS

February 18, 2018

# Children's Rights

Our gifts for Mission & Service support children's rights in Kenya. Near Lake Victoria, the Kenya Alliance for the Advancement of Children's Rights works in schools in the area, creating a child ambassador program that seeks to live out the United Nations Declaration of the Rights of the Child.

Javan was 11 years old when he lost both of his parents, leaving him to look after his younger brother. He had to leave school to sell mangoes and oranges to raise money to keep his young brother in school. When Javan was 12, he heard about the child rights program. He was so inspired by what he heard that we worked to himself enrolled in this program. Soon he was back in school.

Through the partnership of the Kenya Alliance for the Advancement of Children's Rights and Mission & Service of the United Church of Canada, we are thankful that Javan will soon be going to university to study to become a medical laboratory technician, and his brother is now in high school. Our gifts for Mission & Service made this possible.

If Mission & Service giving is already a regular part of your life, thank you so much! If you have not given, please join me in making Mission & Service giving a regular part of your life of faith. Loving our neighbour is at the heart of our Mission & Service.
