THE UNIVERSITY OF TORONTO

Celtic Wisdom 3: Sacred

Imagination: In 2016, John Philip Newell began a teaching initiative that is called The School of Earth & Soul.

Its purpose is to reawaken awareness of the sacred in all things through the recovery of Celtic wisdom for today and to help translate this awareness into compassionate action. The school follows a three-year cycle of teaching in its annual retreats. Participants may join at any stage in the three-year cycle and attend any of the Earth & Soul venues across the country.
