## EXTREME HUNGER APPEAL

All eligible donations made by June 30 will be matched by the government.

Extreme hunger and starvation in Kenya, Nigeria, Somalia, South Sudan, and Yemen have reached grave levels. More than 20 million people are at risk for starvation, while millions more suffer from drought and food shortages. The UN is calling this the largest humanitarian crisis since 1945.

United Church partners the World Council of Churches (WCC) and All Africa Conference of Churches (AACC) have this message for people of faith around the world: 'More people face famine today than any time in modern history. We are not only called to respond to the needs of our sisters and brothers in dire situations in a compassionate, timely, and sufficient manner. We are also commanded to see the divine in those who are suffering and to appreciate their resilience, opinions, and solutions—and to respect their dignity as we respond. May our prayers invoke the grace of God, and mobilize people to bring about peace and an end to hunger and violence!' —General Secretaries Olav Tveit (WCC) and Andre Karamaga (AACC)

“For I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me.” —Matthew 25:35

**MINUTE FOR MISSIONS**

**JUNE 11, 2017**

***THE HEALING FUND IS CHANGING LIVES***

Our gifts for Mission & Service support the work of healing and reconciliation. Let us hear a story of how The Healing Fund is changing lives.

The Liqwiltach Elders' and Youth Culture Group hosts events and learning experiences in the Campbell River area of British Columbia. Led by volunteer June Johnson, the group connects residential school survivors with local Indigenous youth to provide learning experiences that revitalize culture and language.

These experiences also provide a space for youth from different communities to share their oral histories and traditions, which are once again being passed down from generation to generation.

One of the learning experiences uses button blankets. As the group grows and travels to different communities, it needs financial support to make new blankets and masks. The blankets are adorned with unique family crests. Each mask signifies a particular dance. A mask dancer teaches the youth the dance and mentors them through the dance process.

These events, acknowledged by The Healing Fund Council and supported through your gifts for Mission & Service, help people reconcile the residential school experience and restore Indigenous languages and cultures in Indigenous communities.

A Liqwiltach Elder noted, "I am happy that our children are learning the culture, and you see the pride they have to show off their dances. It gives them the sense of belonging, of who they are and where they come from."

We sing thanksgiving for the gifts of The Healing Fund.

If Mission & Service is already a regular part of your giving, thank you so much! If you have not given for Mission & Service, please join me in making Mission & Service a regular part of your life of faith. In all our Mission & Service giving, with a willing heart, we sing thanksgiving to God!
