LOAVES AND FISHES

DATE: MONDAY May 14th
SOCIAL TIME: 5:30 pm
DINNER: 6:00 pm

"Taking the five loaves and the two fish and looking up to heaven, he gave thanks to God and broke the loaves. Then he gave them to the disciples, and the disciples gave them to the people. ²⁰ They all ate and were satisfied." Matthew 14:18-20

Each month Kincardine United Church hosts a Loaves and Fishes dinner (formerly known as our pot luck dinner) – inviting everyone to come and share friendship, laughter and food. As those who attend know, there is always a large variety of food and more than enough to feed all who come to our table. Unlike Jesus, we may not feed 5,000 but all who attend leave satisfied. We invite everyone to come to our Loaves and Fishes dinner – bringing friends, family and what you are able for food. If you are not able to bring something we also welcome you at our table.

Future Dates:

June 11, July 9, August 13

MINUTE FOR MISSIONS

MAY 6, 2018

NEW APPROACH TO FARMING

Our gifts for Mission & Service change lives around the world. Our global partner the National Council of Churches of Kenya (NCCCK) is addressing the problem of severe drought by creating a conservation agriculture program. The conservation agriculture model uses mulching, crop rotation, and minimal tilling, combined with water harvesting and management, to move toward the ultimate goal: local food security.

The NCCCK works with Kenya's National Drought Management Agency and advises the agency of needs in drought-stricken areas. The agency then reports to the national government on areas where help is needed. The Kenya Agricultural and Livestock Research Organization (KALRO) is doing trials and experiments on technologies in partnership with the NCCCK to determine the varieties of drought-tolerant maize and legumes that are the most suitable for growing in parts of Kenya. The NCCCK/ KALRO partnership started as a result of Mission & Service support of conservation agriculture. Now they share best practices and enjoy a collaborative work relationship.

Farmers appreciate the support this project has received from Mission & Service. In Tharaka Nithi County, a place characterized by perpetual food insecurity, more than 800 households have participated in the conservation agriculture project. These households "will forever be grateful to the partnership between NCCCK and The United Church of Canada," says the NCCCK's General Secretary Peter Karanja.

If Mission & Service giving is already a regular part of your life, thank you so much! If you have not given, please join me in making Mission & Service giving a regular part of your life of faith. Loving our neighbour is at the heart of our Mission & Service.
