Report from KUC Council. Jackie Clements reported several items.

1. Meg Jordan will be ordained this spring, but needs an offer of employment prior to ordination. KUC will give her an offer of employment so she can be ordained. This employment would start in May and continue until she has another offer or until JNAC search committee appoints someone.
2. A CAMP meeting will be held Sunday April 10, 2016 after church. The agenda will include a JNAC update and discussion of communication at KUC.
3. Re Communication Concern expressed with the amount of time announcements take at the beginning of the service. CAMP meeting and or a town hall meeting is needed on sharing of information at KUC.
4. JNAC is starting meetings and has a meeting planned March 24, 2016
5. MY FM radio is running a program – a short interview on the True Meaning of Easter from March 21 to March 25, 2016 Meg Jordan will be speaking for KUC.
6. Rev Don Harry will be away April 4 to April 18, 2016.
7. Organ Repairs. David Hamilton reported that the motor has been replaced but the blower still makes a noise. The organ repair people are coming the week of March 9, 2016 and hope to fix or replace the blower. Replacing the blower might cost \$3800.

Communications

1. Re Bulletin may be putting the announcements on a separate pull out sheet. A suggestion from Rod Coats See attached memo.
May be a new model of the bulletin and order of service. There is a reluctance to cut the announcements at the beginning of church because they describe the work of the church and are useful for people at home watching on cable.
2. Cornerstone. Art Postuma is resigning as publisher see attached letter. April 2016 will be his last Cornerstone.
3. Recording the service for Cable. This is of value to the community. The AV group need more help. Suggestion of using the AV studio at the High School, Jackie Clements has talked to Peter Wolfe about this and she will contact Peter again.
