New Business

1. Gord received an email from Bev McLelland about a stranger who may need some assistance. After discussing this we decided we did not know enough about the person and his situation to add it to our already full list of objectives for the year. We decided to focus on Truth and Reconciliation and Women in Poverty Forums.

We discussed future forums with Muslims in Kinc.

2. Archives – Jean Johnson and Sarah will work with Gerry McLeod & Gord regarding the Power Church program as it keeps track of members and the historic roll of KUC.

Motion to adjourn by Melinda at 8:15.
