A question was raised as to how we could honour the missing children by possibly put up visuals outside our building. It was decided that through our Indigenous friends we would ask what they feel would be appropriate. Gord will ask people from Cape Croker and from their input would bring a suggestion to Church Council

Gord Dunbar continued the meeting with a retreat asking the question why are we here as a church in Kincardine. Gord Dunbar recorded the responses from the members.

David informed us that there are issues with the organ and that the organ builders are trying to discover the cause but so far have not had any success but continue to investigate.

Judy Zarubick ended the meeting with prayer.

Next meeting is scheduled for October 5, 2021 at 7 p.m.
