

UCW Lighthouse Minutes of March 17, 2025, held in the fellowship room

Nancy Brash called the meeting to order shortly after 7 pm

A special welcome to Katrina, who's joined us for the first time.

We recited the UCW purpose, followed by an opening prayer.

Nancy thanked Jackie for helping this evening.

Our theme was for Valentines and Jackie Clements read a few quotes where Love is mentioned in the bible. She then read quotes about Love from various well known people.

We played a game of "fill in the blank" of popular or not so popular Love songs! The winner was Pat Porter.

Business arising:

No treasurers report.

Krista reported we made \$570.00 on the soup sale and April 27th we will have a speaker at church from Silver Lake Camp.

It was suggested we update our membership list, Mary Philips is in charge of this, we will speak to her regarding this.

The next meeting to be held on Monday April 21st, if we have a volunteer to lead this meeting. No leader, no meeting. Thoughts were that we go back to having a yearly plan with leaders so we will know for sure about our meetings.

Note, no meeting was held in January, no leader!

Please think about this and step up. Thank you

We then shared poems, stories, and letters that are a favourite and had special meaning to us.

Portions of a story were read, which was submitted by Gaylena.

Refreshments, yummy banana bread, made by Jackie, treats, juice and tea was enjoyed by all. Goodie bags of valentine candy were given out to enjoy.

The evening ended around 8:30!
